## **VISION**

We wish to inspire our students to think out of the box and important them for their self employment. This makes them integrated, economically independent and confident.

## **MISSION**

To facilitate and assist College forwards excellence in research and innovation.

## **OBJECTIVE**

- ❖ Develop the research culture among academician. Staff and student at college.
- ❖ Intensify and reinforce cooperation and collaboration in research between society.
- ❖ Encourage self-employment by research products or service.

## **RESPONSIBILITY**

The committee has roles and responsibilities to.

- Arrange an even future plan related to research committee such as symposium or conference.
- Assist in any research projects and/ or coordinate with other external researchers conducting similar project.
- Maintain a file of records to pass on to principal at the end of year.
- Provide external resource of publication and encourage academicians or researchers to use this resource. Obtain free publication if possible.

## **FUTURE PLAN**

- ❖ Provide and monitor effective financial research management legally and with integrity.
- ❖ Increase industrial and stakeholder networking through research and development (R&D) which is benefit to stakeholders or community.
